

### Enter Your Blackboard Course:

1. Sign in to Blackboard and enter your Blackboard course.
2. Do one of the following:
  - Select the MyEngineeringLab tool link in the Content area.

### Get Access to Your Pearson Course Content:

1. Enter your Pearson account **username** and **password** to **Link Accounts**.

You have an account if you have ever used a Pearson MyLab & Mastering product, such as MyMathLab, MyITLab, MySpanishLab, MasteringBiology or MasteringPhysics.

- If you don't have a Pearson account, select **Create** and follow the instructions.
2. How to get access to MyEngineeringLab:
    - Purchase the ENGI 1100/1331 package from the UH Campus Bookstore ISBN: 9781323522127 (this cannot be purchased from an outside vendor, it must be purchased on campus)
    - The access code in your package will not be valid this semester. Fill out the following Google Form with the access code that was included in the package you purchased. Access the Google Form using the following link: <https://goo.gl/forms/xLyBORzF59p09gle2>
    - You will be emailed a new replacement code to the email address you provided on the Google Form.
    - **Keep your access code that was provided in the textbook package. DO NOT THROW IT AWAY.**
    - You can also get 14 day temporary access by selecting the link near the bottom of the page. Please use the option to access your course if you are waiting on your textbook or if you are waiting to pay for your course materials. You can upgrade your account at the end of the 14 day trial, but you will still need to follow the above steps to replace your access code.
  3. From the You're Done page, select **Go to My Courses**.

**Note:** We recommend you always enter your MyLab & Modified Mastering course through Blackboard.

## Student Registration Instructions MyLab & Modified Mastering with Blackboard

### Get Your Computer Ready

For the best experience, check the system requirements for your product at:
