Upgrading Student Temporary Access to Full Access

1. If you registered using 14 Day Temporary Access, you need to upgrade your account to a **fully-paid account** **within 14 days** in order for your work and grades to remain in the gradebook.
2. Go to www.pearsonmylabandmastering.com and click **SIGN IN**. Be sure to use your CURRENT Pearson username and password. ***Do NOT create a new account. Grades cannot be combined between two separate accounts!**

3. Once you are logged in, you will see your course(s) listed. You will see a red box underneath the course name and a notice indicating how many days you have left **BEFORE** your temporary access expires. **You can upgrade your access anytime during that timeframe.** To do so, click on the “Pay or use an access code now” link.

4. If you have an access code kit that you have purchased through the bookstore, click **Access Code** and enter the access code exactly how it appears. Alternatively you can buy access online with a credit card or PayPal account.
