The first part of the book is a list of names  
 and titles of the authors of the works  
 which are contained in the following  
 list. The names are arranged in  
 alphabetical order, and the titles  
 are given in full. The list is  
 divided into two parts, the first  
 containing the names of the authors  
 and the second containing the titles  
 of the works. The list is  
 printed in a small, clear type,  
 and is well arranged and easy  
 to read. The list is a valuable  
 addition to the book, and is  
 well worth consulting.

The second part of the book is a list  
 of the titles of the works which  
 are contained in the following  
 list. The titles are arranged in  
 alphabetical order, and are given  
 in full. The list is divided into  
 two parts, the first containing the  
 titles of the works and the second  
 containing the names of the authors.  
 The list is printed in a small,  
 clear type, and is well arranged  
 and easy to read. The list is a  
 valuable addition to the book, and  
 is well worth consulting.

The third part of the book is a list  
 of the names of the authors of the  
 works which are contained in the  
 following list. The names are  
 arranged in alphabetical order, and  
 are given in full. The list is  
 divided into two parts, the first  
 containing the names of the authors  
 and the second containing the titles  
 of the works. The list is printed  
 in a small, clear type, and is  
 well arranged and easy to read.  
 The list is a valuable addition to  
 the book, and is well worth  
 consulting.

The fourth part of the book is a list  
 of the titles of the works which  
 are contained in the following list.  
 The titles are arranged in  
 alphabetical order, and are given  
 in full. The list is divided into  
 two parts, the first containing the  
 titles of the works and the second  
 containing the names of the authors.  
 The list is printed in a small,  
 clear type, and is well arranged  
 and easy to read. The list is a  
 valuable addition to the book, and  
 is well worth consulting.

*Handwritten text, possibly a name or description, located below the plant illustration.*

Handwritten text in a cursive script, likely a medieval or early modern hand, covering the right page of the manuscript. The text is arranged in several columns and appears to be a continuation of the content on the left page. There are some larger, possibly decorative or significant, words or phrases interspersed throughout the text.

Handwritten text in a historical script, likely Latin or Greek, describing the properties and uses of the roots shown above.

Handwritten text in a historical script, likely Latin or Greek, describing the properties and uses of the plants shown above.

Handwritten text in a historical script, likely Latin or Greek, describing the properties and uses of the plants shown above.

Handwritten text in a cursive script, likely Latin, describing the plant's properties.

Handwritten text in a cursive script, likely Latin, describing the plant's properties.

Handwritten text in a cursive script, likely Latin, describing the plant's properties.

Handwritten text in a cursive script, likely Latin, describing the plant's properties.

Handwritten text in a cursive script, likely Latin, describing the plant's properties.

Handwritten text in a cursive script, likely Latin, describing the plant's properties.

Handwritten text in a cursive script, likely Latin, describing the plant's properties.

Handwritten text in a cursive script, likely Latin, describing the plant's properties.

Handwritten text in a cursive script, likely Latin, describing the plant's properties.

Handwritten text in a cursive script, likely Latin, describing the plant's properties.

Handwritten text in a cursive script, likely Latin, describing the plant's properties.

Handwritten text in a cursive script, likely Latin, describing the plant's properties.

Handwritten text in a cursive script, likely Latin, describing the plant's properties or uses.

Handwritten text in a cursive script, likely Latin, describing the plant's properties or uses.

Handwritten text in a cursive script, likely Latin, describing the plant's properties or uses.

Handwritten text in a cursive script, likely Latin, describing the plants and their properties. The text is arranged in several lines, with some words appearing to be in a different script or dialect.

Handwritten text in a cursive script, likely Latin, describing the plant and its properties. The text is arranged in several lines, with some words appearing to be in a different script or dialect.

Handwritten text in a cursive script, likely Latin, describing the plants and their properties. The text is arranged in several lines, with some words appearing to be in a different script or dialect.

Handwritten text in a cursive script, likely Latin, describing the tree and its properties. The text is arranged in several lines, with some words appearing to be in a different script or dialect.

Handwritten text in the left margin, likely a page number or reference.

Handwritten text in the upper section of the page, above the plant illustration.

Handwritten text in the lower left section, below the plant's base.

Handwritten text in the lower right section, below the plant's base.

The text on the page is a dense block of Latin script, likely a botanical or medical treatise. It is arranged in approximately 20 horizontal lines, starting from the top left and extending towards the right. The script is a cursive hand typical of the late 15th or early 16th century. The text is partially obscured by the large botanical illustration on the right side of the page.

Handwritten text in two columns, likely describing botanical specimens or medicinal properties. The text is written in a cursive script.

Handwritten text in two columns, continuing the botanical or medicinal descriptions. The script is consistent with the first page.

Handwritten text in two columns, likely describing botanical specimens or medicinal properties. The text is written in a cursive script.

... dicitur ...

... dicitur ...

Handwritten text in a cursive script, likely Latin, located at the bottom of the left page.

Handwritten text in a cursive script, likely Latin, located in the middle section of the right page.

Handwritten text in a cursive script, likely Latin, located at the bottom of the right page, above the final illustrations.

Handwritten text in a medieval script, likely Latin, located at the bottom of the page. The text is arranged in several lines and appears to be a list or description of the plants shown above. The script is dense and difficult to read due to its cursive nature and the fading of the ink.

Handwritten text in a cursive script, likely Latin, located at the bottom of the left page.

Handwritten text in a cursive script, likely Latin, located below the top illustration on the middle page.

Handwritten text in a cursive script, likely Latin, located below the middle illustration on the middle page.

Handwritten text in a cursive script, likely Latin, located below the text block on the middle page.

Handwritten text in a cursive script, likely Latin, located below the top illustration on the right page.

Handwritten text in a cursive script, likely Latin, located below the middle illustration on the right page.

Handwritten text in a cursive script, likely Latin, located below the text block on the right page.

Handwritten text in a cursive script, likely Latin or a similar historical language, describing the properties or uses of the plants shown above.

Handwritten text in a cursive script, continuing the descriptions from the previous section, possibly detailing the medicinal or practical applications of the plants.

This block contains handwritten text in a cursive script, likely Latin or a similar historical language. The text is arranged in several lines and appears to be a descriptive entry for the plants or roots illustrated above.

This block contains handwritten text in a cursive script, likely Latin or a similar historical language. The text is arranged in several lines and appears to be a descriptive entry for the plants or roots illustrated above.
